Why Choose us

Sherwood Forest Senior living networks with the very best healthcare professionals in the industry, from salon services, to home health and hospice care. Together we care for our elderly from supervisory level to a directed level of care. This ensures our senior residents care and services adjust accordingly as his or her care needs change.

Sherwood Forest Senior Living is state licensed residential care living home offering 24 hours of personalize care in the comfort of home. Our seniors wake up with a friendly, certified caregiver ready and willing to serve all their needs. Its important for our residents to feel safe, comfortable, happy and at home.

We are committed to supporting our resident's wellness through delicious and nutritious meals prepared daily from scratch using farm-fresh ingredients and locally sourced produce. We encourage our residents to join with others around the dining table to enjoy their meals and perhaps engage in laughter and conversation.

Wide range of individualized activities are available for our residents during their spare time. Our qualified Activity Coordinator implements and runs daily activities ranging from interactive, mind stimulating games, music and art therapy, mild exercise, bingo nights to movie nights. Our gaming station provides board games, puzzles, arts and crafts and much more fun activities that are always updated and renewed based on residents' preference and interests. Special evenings will include Birthday, Anniversary and Major Holiday Celebrations.

Our Goals

Our goal is to create lasting bonds with our residents and their families and that is why families and friends are always Welcome.

We are Committed to providing quality service, to improve your loved ones' quality of life.

Let us accomplish this mission together, all you have to do is get in touch with us today.
